ABOUT US

DATSON360 is a staffing firm delivering skilled nurses and allied professionals to public agencies and K-12/Higher-Ed health programs. With 10+ years of public-sector performance, we combine clinical leadership with responsive recruiting to support school clinics, special-needs care, immunization events, and hospital partnerships across the U.S.

We leverage AI-enabled sourcing and a 10M+ candidate database to fill roles quickly often in 4–24 hours while maintaining rigorous compliance. All clinicians are fully credentialed (licensure verified, background checked, OIG screened, drug/TB tested and immunized) and supported by dedicated account managers. Our MIS delivers 100+ customizable reports, giving leaders the visibility they need to manage quality, cost, and performance.

CORE COMPETENCIES

- **Rapid & Compliant Staffing:** Qualified professionals placed within 4–24 hours across education, healthcare, IT, and public-sector roles.
- **All-in-One Solution:** One competitively solicited cooperative contract covering Instructional, Nursing, Facilities, Food & Child Nutrition, IT/Security, and Administrative staffing.
- **Healthcare-Grade Credentialing:** Background checks, OIG, TB, immunization, and license verification ensure safety and compliance.
- **Audit-Ready Administration:** Transparent pricing, easy onboarding, and MIS dashboards with 100+ custom reports.
- **Scalable Workforce Capacity:** AI-enabled sourcing and a database of 10M+ candidates nationwide.
- **Proven Public-Sector Experience:** Trusted by school districts, municipalities, and healthcare systems to maintain service continuity.

• Differentiators

- **Instruction & Classroom Staffing** – Certified teachers, substitutes, special education staff, paraprofessionals, tutors, and bilingual/ESL educators ensuring classroom coverage and student learning support.
- **Health & Nursing Services** – Licensed school nurses, allied health and behavioral health professionals, and therapists providing compliant, high-quality student and staff healthcare.
- **Facilities Maintenance & Operations** – Custodial, HVAC, electrical, grounds, and maintenance staff delivering safe, clean, and efficient school and agency facilities.
- **Food & Child Nutrition Services** – Experienced cafeteria, food prep, and nutrition teams maintaining healthy meal programs and USDA-compliant service operations.
- **Technology & Security** – IT and cybersecurity experts, helpdesk staff, and campus safety officers supporting secure learning environments and reliable technology infrastructure.
- **Administrative, Professional & Non-Instructional Staffing** – Skilled personnel in finance, HR, procurement, and transportation ensuring smooth daily operations across districts and public agencies.
