

COST SAVING OPPORTUNITIES

WE ARE DEDICATED TO MAKING OUR CUSTOMER'S LIVES EASIER ALONG EVERY STEP OF PLANNING A NEW MEDICAL FACILITY CONSTRUCTION PROJECT, EXPANSION OR REMODEL.

At CME our medical equipment experts will work with you to ensure that you to select the right healthcare equipment for your facility and your budget. Our direct to site services and project management teams can handle the receiving, storage, inspection, assembly and delivery of that equipment to help you open on time!

Fewer POs Cut for the Project

- Reduces administration cost and effort
(Remember: PO's traditionally cost an organization between \$75 and \$125 each.)

Condensed Number of Deliveries

- Reduces administration cost and effort
- Reduces risk of items being misplaced or lost
- Shortens the time of delivery (less disruption for you!)

Single Chain of Custody

- Minimizes potential for loss or damage

Assistance Selecting Products

- Our educated sales professionals will help you pick the best product for the best price. We are also knowledgeable on all the latest technologies.
- Hard-to-find product? We will find it and source it for you.

Best Pricing

- Maximizes savings on the cost of equipment

No Outsourced Logistics Company/Warehouse

- Reduces risk, we handle all damage claims and product replacements
- Streamlines deliveries
- Eliminates offsite storage fees and unnecessary over-handling

Manage Incoming Freight, Consolidate Deliveries

- Reduces overall freight-in costs

Each Delivery Accompanied by a Single Receiver

- Reduces administrative cost and effort.
One receiver for you to reconcile instead of hundreds

Resolve All Product Failure Issues and Facilitates All Training & Demos

- Single point of contact reduces administrative cost and effort
- Ensures you can effectively and efficiently utilize every piece of equipment

We Use Our Staff, Not Yours

- Your staff can attend to other duties
- Our staff is fully knowledgeable on what handling needs each specific device requires, taking risk out of your hands.

Projects Delivered On Time!

- With fewer people involved in the process, it's easier to trust that a target date will be met. Give up the hassle of monitoring many deliveries and companies at once – with CME Corp, we work collaboratively with you and are the only point of contact that you'll need.
