

## Secure Logic & Equalis Group

*Publicly Procured Contract Vehicle*

### Contract Highlights

- Comprehensive managed data center infrastructure with Tier III facilities in Dallas, TX and Santa Clara, CA delivering 99.99% uptime and tested disaster recovery.
- All-inclusive unit-based pricing per server node and per TB storage locked for 1, 3, or 5-year terms with no bandwidth overages, hidden fees, or surprise expenses.
- Continuous Hardware Refresh included in flat monthly operational pricing eliminates costly 5-year refresh cycles and capital expenditure requirements.
- Rapid deployment from \$20M inventory provisions infrastructure from within catalog in 1-3 days versus industry standard 8-12 weeks.
- Geographic disaster recovery with dual-location infrastructure separated by 1,400+ miles protecting against regional failures.
- Compliance-ready environments meeting FERPA, CJIS, HIPAA, IRS 1075, and SOC 2 Type II standards with SOC 2 Type II compliant facilities.
- Hypervisor flexibility supporting VMware, Hyper-V, and Proxmox environments.

### Who is Secure Logic LLC?

Secure Logic transforms how public sector organizations approach data center infrastructure by eliminating aging hardware and unpredictable capital costs. Serving K-12 school districts, counties, and municipalities through Region 10 ESC Contract #R10-1183D, the company replaces the traditional buy-depreciate-replace cycle with a Continuous Hardware Refresh model specifically designed for public agencies.

Districts no longer compete for capital budget between server replacements and operational priorities. Infrastructure modernizes automatically on a rolling cycle, included in flat monthly operational pricing. Operating from geographically diverse Tier III facilities, Secure Logic delivers enterprise-grade reliability that small IT teams cannot build themselves.

# Created by Public Sector Organizations for Public Sector Organizations

## Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

## Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
