The Nexus Program by Equalis Group streamlines furniture procurement for K–12 schools, higher education institutions, and state and local agencies by connecting awarded manufacturers and dealers through Equalis cooperative contracts. This exclusive program delivers best value by offering high-quality furniture, services, and installation at competitive, pre-negotiated pricing—eliminating the need for traditional bidding—while providing expert support and a faster, more efficient purchasing process.

- **Best Value Purchasing**  
Access exclusive dealer pricing backed by industry leading **manufacturer discounts**, ensuring you receive the most competitive total project cost through Equalis cooperative contracts.
- **High-Quality, Full-Service Dealers**  
Work with **vetted, experienced dealers** who provide personalized support—from product selection and space planning to delivery and installation—for added project value.
- **Faster, Compliant Purchasing**  
Leverage Equalis Group's contacts as opposed to time-consuming RFPs—Equalis contracts meet all public procurement regulations, enabling **faster project execution** with full audit readiness.
- **Streamlined, One-Stop Procurement**  
Simplify purchasing by working with a single dealer who can manage **multi-manufacturer projects** under one compliant contract.
- **Manufacturer-Dealer Alignment**  
Dealers receive **best-in-class manufacturer pricing** through the Nexus Program, resulting in direct **cost savings** and consistent service standards for your institution.
- **Reliable, Performance-Trackable Partners**  
All participating manufacturers and dealers are **monitored for performance**, ensuring quality products, service reliability, and accountability.
