

**PITTSBURGH
PAINTS CO.**

OUR MISSION

To empower those who build, create and protect with the products, services and expertise they need to succeed.

OUR VALUES

RELENTLESS IN PURSUIT

We push harder and think faster. We stay ahead of the market, solving problems with transparency, speed and agility to keep our customers moving forward.

DRIVEN TO FINISH YOUR VISION

From selection to application and more, we go above and beyond to deliver more than just paint – we bring dependable expertise, service and hands-on support to help you succeed.

HERITAGE FUELS OUR HUSTLE

We build on our history and expertise – not as an anchor, but as a launchpad – to push boundaries and create what's next.

GROWTH IS OUR MINDSET

Success isn't just achieved – it's built. Through integrity, respect and accountability, we invest in our customers, people and brands to create lasting profitable growth.

ABOUT US

pittsburghpaintsco.com

WHO WE ARE

The Pittsburgh Paints Company is a leading producer of interior and exterior paints, stains, caulks, repair products, adhesives, and sealants for do-it-yourselfers and professionals, as well as certain light-duty protective coatings. We are located in the United States and Canada where we employ over 6,000 employees.

We manufacture and sell some of industry's most trusted brands including PPG PAINTS, GLIDDEN®, PITTSBURGH PAINTS & STAINS®, PROLUXE™, FLOOD®, OLYMPIC®, LIQUID NAILS®, HOMAX® & TRUEFINISH® (in the US) and MULCO®, DULUX®, and SICO® (in Canada).

Our line-up of residential, commercial and industrial paint brands offers a wide range of choice to meet the varying needs of consumers, interior designers, painting contractors, property managers, developers and architects. Shop our products at Home Centers, Independent Retailers, and 700+ Company Stores.

OUR BRANDS

Our line-up of trusted brands and the unmatched service professionals and DIYers have come to know and expect.
