#### Who is ClearSpan?

Since 1979, ClearSpan Structures has been creating innovative building solutions across dozens of industries. Over the years, ClearSpan has worked extensively with local governments, and ClearSpan's Building Specialists are particularly knowledgeable in the unique needs of municipalities. With in-house services, including engineering, financing and installation, towns and local governments benefit from a streamlined process and an exceptional product.

ClearSpan designs and manufactures an extensive line of fabric, pre-engineered metal and cold formed steel buildings that have been used extensively for sand and salt storage, garages, gymnasiums, pickleball, vehicle and maintenance garages, auxiliary school buildings, recreation spaces and much more.

Each ClearSpan building is designed to last decades into the future. Many frames are made from triple-galvanized steel, allowing them to stand up to the most corrosive environments, and they come with a 50-year warranty. For cladding ClearSpan offers various options, including a 12.5 oz. and 29 oz. fabric, which come with a 20- and 30-year warranty, respectively. Metal cladding is offered in a number of different channels that have various gauges, and they feature 20-to-30-year warranties.

# Created by Public Sector Organizations for Public Sector Organizations

## Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

## Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
