

PREPARE FOR THE WORST.

Respond with the best.

When disaster strikes, the well-being of your community depends on you. **You need a distribution partner you can trust** so you can be ready to act during unpredictable events.

McKesson Medical-Surgical Government Solutions is here for you with a broad range of tailored emergency preparedness solutions to help you respond to natural disasters, such as hurricanes, floods, tornadoes, and wildfires, as well as man-made emergencies such as bio-chemical threats.

With our nationwide distribution network and dependable supply chain, you can count on us to deliver the products you need to stay prepared. We can further support you with helpful tools, such as McKesson Inventory Manager, which provides better visibility so you can manage your inventory and improve operational efficiencies. Plus, we can build tailored solutions that fit the needs of your emergency response plans.
