

Public Sector Capability Statement

Antigua Construction

“Building Legacies, Shaping Futures”

Company Overview

Antigua Construction is a full-service general contractor providing construction and project management services to public and private sector clients throughout the Chicagoland area since 2005.

As a certified minority and woman-owned firm, Antigua focuses on safety, schedule, and budget while delivering high-quality work. The team provides hands-on oversight from early planning through closeout, with direct executive involvement on each project.
