### PLASTICS

Plastics offer a versatile, durable, and cost-effective option without sacrificing quality. Through our color-matching program, we can create custom colors and unique textures.

### WOOD

Wood options from KI offer a rich palette of colors, grains, and textures that can be tailored to create anything from classic to modern aesthetics.

### LAMINATES

The KI Graded Laminates Program fuses aesthetic flexibility with unparalleled durability and performance. Laminates are categorized into three unique grades featuring design depth for enhanced product appeal.

### PAINTS

Our extensive paint palette includes a range of trending, vibrant colors, subtle neutrals, and specialty finishes, allowing for and less and durable customization to suit any design vision.

### UPHOLSTERY

Pallas Textiles, a division of KI, fuses the art of weaving with today's modern techniques and fibers into sophisticated, stylish, and timeless upholsteries, panel fabrics, and privacy curtains that continually evolve in color, pattern and texture.

Through Pallas Textiles and KI Ingrades, a diverse selection of fabrics providing a wide range of colors, patterns, and tactile qualities is available. An expansive list of approvals for Customer's Own Material also exists for those with specific fabrics in mind.
